

Advanced Clinic: 4.0+ Rated Players

This clinic is designed for the upper level player who has good control of all their shots but is ready to learn and apply what separates the good players from the great players.

Rodney “Rocket” Grubbs is one of the most recognized players and instructors in pickleball. Rocket is a 5.0 player and a certified IPTPA Pickleball Coach and travels the country helping pickleball grow through his company, Pickleball Rocks and the Pickleball Rocks Training Academy. www.PickleballRocksAcademy.com

In this clinic, Rocket will cover:

- What separates the great players from the rest
- Two tips to improve consistency instantly.
- Three shot strategies to improve your odds of winning a point.
- Demonstration of dink strategies and why great dinkers always win.
- The Magic of the Wall: How to strategically work with your doubles partner to create a winning team.
- The number one drill for improving your doubles game quickly.
We'll work on this drill a lot. Be ready to hit a lot of balls.
- Why the better you get at pickleball, the slower the game seems and why this happens.
- The absolute best way to warm up before a match.
